Mansan SOULEIMAN AHMED

OBJECTIVE

I am looking for an internship in wed development. The internship duration is 1 month and half starting 1st December.

PERSONAL STATEMENT

I am a highly organized and efficient young individual. My motivation and commitment will prove excellent in challenging work environments. I will be professional, productive and eager to be a proactive member of your team. I would describe myself as a very well-spoken person and passionate about coding.

SKILLS

Programing langages

HTML5, CSS3 && SASS, Javascript, Node JS (Basics), React

Languages

French	Fluent
English	Fluent
Somali	Fluent
Dutch	Notions

EDUCATION

05/2019–03/2019	Internship at Becode Liège
02/2018–05/2019	Self-taught HTML5, CSS3 and JS
2014–2018	Bachelor's Degree in accounting at HEPL(-1 course)
2013–2014	First year in university (University of Liège)
2012–2013	CESS (High Secondary Education Certificate)

LEISURE

I enjoy socializing and planning outings with both friends and family, often walking or running to accomplish a healthy amount of exercise. I like practicing fitness to collect my forces to face all the bugs.
